

CLIMATE SMART  
MISSOULA

## Social Distancing Bingo for the Climate Activist

Try a <b>new trail</b> in town (biking, walking, running, roller blading, etc.)	Plan your <b>garden</b> for spring and summer	Calculate your <b>carbon footprint</b> (and compare your pre and post social distancing footprints!)	Write a <b>Dear Tomorrow</b> Letter	Take a picture of an <b>energy efficiency</b> project in your home
Participate in the Clark Fork Coalition's adapted <b>river clean-up</b> .	Donate to <b>United Way</b> to help those in need	Write a <b>letter to the editor</b>	If you have <b>Legos</b> at home, build the type of street or type of development you want to see more of in Missoula	Reach out to a neighbor (while maintaining social distancing) to check-in
Write a <b>poem</b> about an outdoor place or species that you love.	Become a Citizen Scientist with Project <b>Bud Burst</b> - track flower blooms	<b>FREE SPACE</b> 	Draw a <b>picture</b> of a tree or flower in bloom and share with an old friend	Research <b>candidates</b> in state and local elections and learn where they stand on climate change
Learn basic <b>bike maintenance</b> on YouTube	Read a <b>book</b> about the natural world	Enjoy shade at one of Climate Smart's shade shelters	Spend extra time caring for and appreciating your house plants (as well as their air purifying abilities)	Identify a <b>bird song</b> or call and check out e-Bird
Research the <b>trees</b> on your street or in your backyard and learn how to care for them, especially during heat or drought	Make a plan to reduce your emissions by <b>15%</b> this year	Support local or international <b>media</b> as they work to bring us crisis news	If you are healthy and able, check in with the <b>Food Bank</b> to see how you can help.	Make public <b>comments</b> on the Governor's Climate Solutions Council
