

# What's happening in 2024

- Hosting Spring Shift series of educational events on solar, trees, & electrification, including 2nd annual Electrify Homes tour May 18 - join us!
- Key community partner with Missoula County establishing a new "1 Stop Shop" for community resources on electrification and energy savings
- Integrating Trees for Missoula into our work, growing volunteer engagement and advocating for trees and green infrastructure for climate resiliency
- Growing our carbon offset Footprint Fund, to make clean energy and efficient, healthy homes accessible for low-income neighbors
- Hosting our 6th annual Climate & Clean Energy Expo followed by 2nd annual Climate Solutions Week, September 28 - October 6, 2024 - save the date!
- And more - we hope you'll connect with us!
