

CLIMATE SMART
MISSOULA

Social Distancing Bingo for the Climate Activist: Card 3

Call your representatives to make sure no one is left behind	Organize your fridge and pantry to reduce food waste	Take a virtual tour of a National Park	Write a Dear Tomorrow Letter	Take a picture of an energy efficiency project in your home
Watch (or rewatch) Rob Davies' presentation	Write a poem about an outdoor place or species that you love.	Write a letter to the editor	Make something with at least one "forgotten" pantry item	Reach out to a neighbor (while maintaining social distancing) to check-in
Donate to United Way to help those in need	Become a Citizen Scientist with Project Bud Burst - track flower blooms	FREE SPACE 	Draw a picture of a tree or flower in bloom and share with an old friend	Research candidates in state and local elections and learn where they stand on climate change
Learn basic bike maintenance on YouTube	Place an order at a local bookstore for pick-up at a later date - see website for ideas!	Identify a bird song or call and check out e-Bird	Spend extra time caring for and appreciating your house plants (as well as their air purifying abilities)	Research the animals who enjoy the Clark Fork River
Research the trees on your street or in your backyard and learn how to care for them, especially during heat or drought	Make a plan to reduce your emissions by 15% this year	Support local or international media as they work to bring us crisis news	Repurpose glass or plastic bottles for an art project	Make public comments on the Governor's Climate Solutions Council
