Want to be a part of Missoula history?

Get Involved in the historic removal and restoration of the Rattlesnake Creek Dam!

VOLUNTEERS NEEDED: The City of Missoula, Trout Unlimited, the Clark Fork Coalition, and other partners are looking for volunteers to help restore native vegetation along Rattlesnake Creek, which is now free-flowing for the first time in over 100 years! Be a part of history, lend a hand to restoration, and help rebuild the natural beauty of Missoula.
