PARTNERS FOR A SUMMER SERIES:

HEALTH, CLIMATE & COMMUNITY

Who is most vulnerable to climate impacts? And how do we build resilient and equitable communities?

July 22, 12pm | How to be wildfire smoke ready: Filters, fans & more
Facebook Live Q&A about wildfire smoke and creating clean indoor air

July 29, 12pm | Film & panel: *Cooked: Survival By Zipcode*
Disasters, like the climate crisis, reveal deep inequalities. How can we keep equity at the heart of building resiliency?

August 19, 12pm | Film & panel: *Unbreathable: The Fight for Healthy Air*. 50 years of the Clean Air Act and why the fight for clean air and a healthy climate are more urgent than ever. Panel organized by the American Lung Association & co-sponsored by Climate Smart & others.
